**MAR 16 2006**Commissioner for Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450INTERVIEW SUMMARY

This communication is intended to memorialize the telephone interview which took place between Examiner Pak and counsel for Applicant, Matthew A. Pequignot, on February 27, 2006.

In this regard, the Examiner's Interview Summary mailed February 28, 2006 is believed to accurately reflect the substance of the brief discussions which took place. Specifically, Examiner Pak was contacted to discuss the issues pertaining to the fact that certain prior art of record in the corresponding PCT application (also having been examined by Examiner Pak) was not made of official record in the instant national application. As a result of the interview, it was ascertained that Examiner Pak did not consider the art relevant to the claims remaining at issue post-Examiner's Amendment (i.e., claims 4-9) and therefore did not cite the art in the national application's prosecution record.

Although no fee is believed to be due with this submission, should any fees be determined to be required, the Commissioner is hereby authorized to charge such fees to Deposit Account No. 50-0644.

Respectfully Submitted,
